## Proprietor Robin Bamford and his family welcome you to the Ganton Greyhound.

This former Coaching House is a family run business whose reputation is built on classic British dishes served by our friendly staff.

The atmosphere in our restaurant is relaxed, warm and inviting and is the perfect setting whatever your occasion. As well as boasting a large bar and restaurant we also have ample parking and a large beer garden.

We are proud that all of our produce is sourced locally wherever possible and take pride in the food we serve, all of which is prepared freshly on the premises by our team of chefs, led by proprietor Robin Bamford.

We take pride in the good relationships we build with our suppliers who are all local to the Scarborough area.

- All our meat is supplied by Trotters of Potter Brompton.
- Our wine is supplied by Betton Wines of East Ayton.

We try to ensure that our suppliers source the products they provide us locally wherever possible.

## Why not celebrate your special occasion with us?

Our excellent service and food continues through to our popular functions whether it be birthdays, weddings, corporate functions or maybe even a sports dinner presentation? We can cater for any of these in one of our function rooms and offer the option of either a full seated service or a buffet style menu.
